Abstract

Book synopsis: This volume addresses these key issues through an analysis of important theoretical debates on issues such as digital democracy, cultural politics and transnational communities. Featuring contributors from both sides of the Atlantic, the book contains a series of case studies on new social movements including campaigns on the environment, gender, animal rights and human rights. It combines cutting edge research with theoretical material and makes an important contribution to this highly topical and rapidly growing area. This book will be invaluable reading for students in areas including Politics, Communications and IT, Sociology and Cultural Studies.

Wales had died as a result of an accident, Mohammed Fayed and the Daily Express have persistently raised conspiracy theories that she was assassinated. This led in 2004 to the establishment of a special Metropolitan Police inquiry team, Operation Paget, headed by the then Commissioner Lord Stevens to investigate the conspiracy theories. Diana, Princess of Wales, had been the last of the royal consorts to be chosen on the old-fashioned prejudices of a household baffled by the world beyond the palace gates © PA.
