Not piracy, but a great method to save money: most textbooks and academic readings are available at the Toronto Public Library. Sometimes there will just be one copy at the Toronto Reference Library (at Yonge and Bloor) so you'll have to take a trip over to study, but quite often there will be a few copies that you can order straight to your nearest branch. I have NEVER bought a single "mandatory" reading before- TPL had them all. Disclaimer: your mileage may vary depending on your major.
