

Council of Lutheran Women
Fall General Meeting
Our Shepherd Lutheran Church, Birmingham, Michigan
Monday, September 24, 2018

Marge Tanney from Our Shepherd welcomed the attendees to the meeting.

The Reverend Dr. Evan Gaertner, Senior Pastor of Our Shepherd led the assembly in the opening devotion. Dr. Gaertner based his devotion on the meaning of the word Zion as his first call was to Zion Lutheran Church. Zion means "city of God". In Zion, everything is perfect: there is love, peace, joy, etc. at all times. Here we can only find delicious fruit in certain seasons; in Zion, fruit grows daily, plentifully, and is always delicious. All are welcome to this perfection.

President Lucie Witte called the meeting to order at 10:15 AM.

Minutes of the Spring general meeting, April 30, 2018, were approved with one correction and one addition. Glory Drum will make these changes and file the report. Report on file.

TREASURER'S REPORT

Treasurer, Wilma Wagner, presented her report. A question was raised regarding *the repeated* \$275 expenditures to the IRS. President Lucie explained this was for *three attempts* at filing paperwork to qualify the CLW as a 501-C3 tax-exempt organization. Report on file.

Allocation of Undesignated Funds

At the August Executive Committee meeting, the members voted to allocate \$6,225.00 from the Undesignated Fund to the Scholarship Fund to bring the total amount in that fund to \$11,000.00. This was then presented to the Board of Directors on August 20 for their vote and was approved for 18 students, each receiving approximately \$611.

Since August, an additional student has been accepted, raising the number of students to 19. In order to keep the Scholarship Fund at or near \$11,000.00, it is necessary to reduce the transfer of funds from Undesignated to Scholarship. To present this properly, President Lucie first requested the recommendation not be approved from the Board of Directors. A recommendation be made to accept the first proposal. A recommendation was made and seconded to do so. The vote was taken, and the recommendation did not pass. A new motion was then made by Gail Terey, seconded by Andrea Anderson, to accept the second proposal of allocating \$6,146.00 to the Scholarship Fund to bring the total to \$10,925.00. Each student would receive \$575.00. The assembly voted to accept the second proposal.

- Vice President of Events - Sandy Hardies

Sandy's committee: Sheri Comeford, Barbara Karowich, Gina Davidson, and Barb Collins. Barb Collins represented the committee in Sandy's absence. Barb explained our annual luncheon is changing names: it will no longer be called the Woman of the Year Luncheon, but it will now be called the Council of Lutheran Women Luncheon. Since we do so much more than honor a woman of the year from participating organizations, the EC decided to broaden the name. We will still honor a Woman of the Year from our participating churches and organizations. All reports are on file.

- Vice President of Human Care - Barbara Hoffmeier

Barbara's committee: Doris August, Pamela Stasko, Willie Marie Henry, and Patti Jacques. Willie Marie represented the committee in Barbara's absence. Patti Jacques strongly urged everyone to get out and vote this November. She reminded us recreational marijuana is on the ballot. She encouraged us to read about the candidates from reliable sources and not rely on the TV ads. Many of us were unaware the marijuana is far more potent than what was introduced in the 60s and 70s. Doris August explained why we no longer take clothing for Detroit Rescue Mission. If someone still wants to donate, contact Doris and she will be glad to pick up the items at your church. Also the LWR is not using Conrail this year to transport quilts but rather trucks. Conrail did not want the liability of delivering the items. The drop off centers are listed on her report. All reports are on file.

The second order of business regarding the luncheon was presentation and discussion of registration for the luncheon. Barb proposed the use of Eventbrite to register for seating at the luncheon. Eventbrite was used for the first time for registering for the 2018 LWML District Convention. Even though there were many attendees who were not familiar with using online computing, there were very few complaints. Candie Sionkowski, registrar for the convention, attended this meeting and explained how Eventbrite could work for the CLW. She is willing to help with the registration for next year's luncheon. There were many questions raised regarding the usage of Eventbrite, and Barb and Candie answered them to the assembly's satisfaction. A motion was made by Barbara Szymanski, and seconded by Karen Linzing, to use Eventbrite as a registration tool for the next C LW luncheon. The motion carried. The ticket cost will be determined at the November EC meeting.

According to Dalsimer, a treasurer's report is based on an organization's budget, which ideally includes categories for all income and expenses and anticipated amounts for each one. The written treasurer's report adheres to the budget closely, explaining how much was spent and earned in each area and any deviations from anticipated amounts. The ending balance should equal the starting balance, plus income and minus expenses. If it does not, the report must explain. It is not necessary to list every single budget item. / 20+ Treasurer Report Templates. As the treasurer of a company or group, he or she is the person liable and responsible of the money flow that is happening inside of it. One way of listing its destinations is using a financial report template where all the costs, expenditures, revenue and income made in a month or year will be fully computed and shown in a systematic way so any reader will know any discrepancies when they saw it. You may also see report samples. A treasurer report is usually submitted by treasurers covering the total financial details of the fiscal year or before a new treasurer takes in. So it is usually not so easy to make it and you need to search a good treasurer report template. Treasurer report template is generally submitted in excel sheet format and may vary depending upon the need of the place. Our website has various examples of this Status Report template which are available in multiple formats and sizes.
