Protestantism is a Christian minority on the island of Ireland. In the 2011 census of Northern Ireland, 48% (883,768) described themselves as Protestant, which was a decline of approximately 5% from the 2001 census. In the 2011 census of the Republic of Ireland, 4.27% of the population described themselves as Protestant. In the Republic, Protestantism was the second largest religious grouping until the 2002 census in which they were exceeded by those who chose "No Religion". Some forms of Irish Protestant Identities is a major multi-disciplinary portrayal and analysis of the often overlooked Protestant tradition in Ireland. A distinguished team of contributors explore what is distinctive about the religious minority on the island of Ireland. Protestant contributions to literature, culture, religion, and politics are all examined. Accessible and engaging thr Irish Protestant Identities is a major multi-disciplinary portrayal and analysis of the often overlooked Protestant tradition in Ireland.
