PieceWork Index
January/February 2015 – November/December 2016

This index begins with the January/February 2015 issue of PieceWork. For indexes to issues prior to 2015, please see the following link: http://www.interweave.com/piecework-index/

KEY TO INDEX ABBREVIATIONS
The following abbreviation are used to identify each bi-monthly issue:
JF - January/February
MA - March/April
MJ - May/June
JA - July/August
SO - September/October
ND - November/December

The title of each article is followed by the issue date (including the last two digits of the year) and the opening page number. For example, the issue information for Donna Druchunas’ article titled “The lace socks of Spanish Charra dancers” is abbreviated as JF15, 10-12, which indicates the article was published in the January/February 2015 issue and begins on page 10.
