Abstract

The major problem in the Church today is not the division of the Church, but the disobedience of the Church. The historical records of our faith indicate that the risen Lord, who is the only Head of the Church, left one final commandment to the Church. That commandment dominates every page of the New Testament. It is his command to preach the gospel. It is, “that repentance and forgiveness of sins should be preached in his name to all nations” (Luke 24:47).
