Environmental Studies and Political Science, BA. History and Political Science, BA. Journalism and Political Science, BA. Political Science and Communication Studies, BA. Media and Screen Studies and Political Science, BA. Political Science and Economics, BA. Political Science and Human Services, BA. We here at the Daily Stormer are opposed to violence. We seek revolution through the education of the masses. When the information is available to the people, systemic change will be inevitable and unavoidable. Anyone suggesting or promoting violence in the comments section will be immediately banned, permanently. Upon completing the BA degree with a major in Cognitive Sciences, students will be able to: Understand cognitive science as an interdisciplinary field and demonstrate the ability to synthesize key knowledge, theories, methods, research, and other elements from many related disciplines and bring these interdisciplinary elements to bear on problems or questions in the cognitive sciences.
