The original Pet Rock manual, as published by Gary Dahl, and provided with pet rocks. The Pet Rock is a rock, that comes in a paper carrier with holes on it (as if it were "alive"), complete with grass and the Care and Training booklet. The Care and Training booklet was the real product, as it used funny pet-related puns, that you could actually do, that allowed you to "train" your pet rock. Pigeons, A complete Pet Owner's Manual, is just that - a concise owners manual. In just under 80 pages, everything from loft construction, feeds and feeding, breeding and health, behavior and breeds. It covers all the basics. This is the beginner's bible and should be provided by every pigeon club to every new fancier. It is well laid out, easy to understand and has a few excellent photographs of over 20 separate breeds. For the novice, I would recommend this book at over twice the asking price - a bargain. Paperback, 79 pages: Publication date: 1988. The Complete Pigeon Racing Guide. Racing pigeons breeds, loft, feeding, health, training, racing, record keeping and systems. Elliott Lang. 4.2 out of 5 stars 29. Paperback. \$13.97. Next. Some good information. My pet pigeon likes to keep it on his coffee table least I make mistakes he has it on the ready. Read more.
