The House of Commons has a chairman, called the Speaker, whose job is to keep the House in order. The Speaker sits in the centre at the back, on a high chair, and can see the whole Chamber from this position. There are red lines running along each side of the Chamber. This means that the Chamber is divided...
in two. The front bench on the Speaker's right is for the Prime Minister and the leading members of the Government. That on the Speaker’s left is for the Leader of the Opposition. When the Prime Minister (the leader of the party in government) or any other leading politician makes a speech, they stand at the table in the centre, below the Speaker's chair. These seating arrangements have existed for hundreds of years. B. What is the role of the Speaker?

The Culture of Domesticity (often shortened to Cult of Domesticity) or Cult of True Womanhood[a] is a term used by historians to describe what they consider to have been a prevailing value system among the upper and middle classes during the 19th Century in the United States and the United Kingdom. This value system emphasized new ideas of femininity, the woman's role within the home and the dynamics of work and family. "True women", according to this idea, were supposed to possess four cardinal
