The heart of the matter -- The war of two natures -- Four horsemen: the Church's patriarchs -- Queens, generals, and emperors -- Not the Mother of God? -- The death of God -- Chalcedon -- How the Church lost half the world -- What was saved. - Jesus Wars reveals how official, orthodox teaching about Jesus was the product of political maneuvers by a handful of key characters in the fifth century. Jenkins argues that were it not for these controversies, the papacy as we know it would never have come into existence and that today's church could be teaching something very different about Jesus.
