**Name Index**
"The book's strongest feature lies in its political economy approach to transformation in the countries of Central East Europe and the former USSR. Given the highly up-to-date information and statistics that this book provides, I find it to be an equally useful resource for researchers, graduate students and libraries." - Anca M. Voicu, Rollins College. "The authors have managed to include the entire, very diverse region of Eastern Europe and the CIS in their analysis. His publications include Globalization and the State in Central and Eastern Europe and a number of journal articles on political economy in Eastern Europe, Russia, and Central Asia. Read more. Product details. REGION: Regional Studies of Russia, Eastern Europe, and Central Asia is a peer-reviewed international journal that explores the history and current political, economic, and social affairs of the entire former Soviet bloc. American Bibliography of Slavic and East European Studies, ERIH (European Reference Index for the Humanities and Social Sciences), IBZ (Internationale Bibliographie der Geistes- und Sozialwissenschaftlichen Zeitschriftenliteratur), SCOPUS Citation Index, Web of Science ESCI by Clarivate Analytics, Academic Search Ultimate.
