First sponsored in 1958, National Library Week is a national observance sponsored by the American Library Association and the National Book Publishers. In 1954 a nonprofit National Book Committee was formed by the American Library Association and the National Book Publishers. In 1957 the committee developed the idea for National Library Week, hoping that it would become a national observance. National Library Week is South Africa's official first week of September people, organisations, companies, schools, libraries a See more. Commemorate National Book Week. In Celebration of Book Week and School Library Media Month, Education World presents a selection of articles from our archive! Book Adventure: An Online Reading Program Rewards Young Bookworms A new way to make reading a pleasure among students in a new way. "Sustained Silent Reading" Helps Develop Independent Reading Habits (Drop Everything And Read), as some people call it -- can be one more tool for developing lifelong
