ESTABLISHED 1871

In this account, these are the essentials: the angel, or God, appears to Moses in fire in the midst of the bush, and Moses turns aside to see. But there is something unusual about the way the narrator tells the story. For a moment, we get to hear what Moses is thinking. For an instant, we are inside Moses' head, as he decides to turn away from his father-in-law's flock and leave them behind. . . . Moreover (and this is even more rare), we are given an indication of how God thinks: "And when the Lord saw that he had turned aside, God called him from inside the bush, and he said, 'Moses, Moses!'" Evidently it is Moses' conscious resolve to turn away from the task at hand and investigate "this great sight" that prompts God to speak to him for the first time. **Ellen Davis** – *Getting Involved with God*

22nd Sunday in Ordinary Time

OWL DAY

(Weather Permitting)

It's time to crank up Sunday School again for all ages, meet new teachers, "fly up" to our new classes,

and begin anew the quest for "wisdom": hence the name, OWL DAY! Come hungry for a **free** breakfast of cereal, bagels and cream cheese, and fruit at 9:45 sponsored by the Christian Education Committee.

We'll entertain all things OWL (WOL, according to Pooh Corner; Hedwig, according to Harry Potter!), and celebrate the beginning of wisdom that keeps us grounded in faith. All Sunday School teachers will be dedicated during worship, as will the other talented educators in our midst. **(Teacher training will take place immediately following worship, with lunch and childcare provided, until 1:30 p.m.)**

Lectionary Class

God spoke words of command to Moses from the burning bush, and Moses argued. Jesus told the disciples some things they didn't want to hear, and Peter argued. Do we have the right to argue with a divine message? Do we have the nerve? Join us for a brief discussion in the East Parlor after the OWL Day festivities (weather permitting).

INVITE A FRIEND TO CHURCH

We are gearing up for a new year on the church calendar. This week marks the last few days of summer vacation for students in the traditional year in the public schools. During the summer months families may have moved into your neighborhood from other cities and states. Are they looking for a church home? This coming **Sunday, August 28**, at FPC children will meet their new teachers and be introduced to their new classrooms. A free breakfast will be served at 9:45 prior to the "fly up" to new classes. During the worship service the new roster of Sunday school teachers will be recognized. **Please plan to come and invite a friend, neighbor or colleague to worship with this community of faith!**

NEWCOMERS' CLASSES

The Sunday evening, August 21 supper for newcomers at the Harvard's home was cancelled due to scheduling conflicts for a number of the invited guests. Membership classes, including a get acquainted time, will be held on **Sundays, September 11 and 18** following the morning worship service. The classes will convene in the East Parlor of the Church house and will include a light lunch for participants. Visitors who are interested in exploring membership at FPC or any members who have not had the opportunity to attend the classes in the past are cordially invited to participate. Please contact **Shirley Frederick** at s.frederick@firstpres-durham.org or 682-5511 to indicate your plans to attend.

FROM THE

ASSOCIATE PASTOR

Dear Friends,

Well, it looks like Hurricane Irene is rolling our way, and regardless of *our* plans for the weekend, the point of (God's) order seems to necessitate that we stop and pray for those who might happen to find themselves in harm's way and prepare to be church to those in need: those who live on the coast, immediately, and next, those who live in low-lying areas prone to flooding. I'm wondering, if the "wise" thing to do under these conditions, might be for FPC to postpone "Owl Day" - when we get wise, fly up to our next grade level of classes, and dedicate our teachers - until September and focus on riding out Hurricane Irene this Sunday, and preparing to be helpful. If so, I suggest we bring bottles of Clorox, rubber gloves, large garbage bags, hand sanitizer and paper towels to the church when we come, and we'll assemble clean-up kits to share with our neighbors once the storm subsides. Stay tuned! We'll put out an APB if this is going to be our new plan.

I had a wonderful week of continuing education at Chautauqua Institute in New York last week, and am excited about sharing some of the exciting learnings of the week with you. As our schools and universities crank back up, our new church officers take their places of leadership, and our Sunday School classes fill up again, may we all seek God's wisdom for weathering both external and internal storms with empathy and great compassion. Stay safe, and I hope to see you Sunday.

Marilyn

Greetings Church friends,

As you know, the beginning of the school and church year is upon us. I need your help again this year. It is important to the youth leadership that we have a simple, nutritious, and filling meal to serve the youth when they come for fellowship events on Sunday evenings. I am looking for individuals and families to volunteer to provide dinner for about 30 people on Sunday nights at 6:00 p.m. when we meet here at the church.

If you are willing and able to help with this, please contact me via email:

r.leonard@firstpres-durham.org or call 682-5511 ext. 213 to choose a date that works best for you. Thanks SO much for your ongoing support of our young people of FPC!
