Are you truly happy? Is happiness a passing feeling or a state of being for you? Tons of articles (and books) have been written about how to be happy, and there is some good information out there. I have read and synthesized hundreds of hours of research and experiments here for you, in this action-driven article. How to discover your values? Take some minutes to look deeper into yourself and your life, and it will tell you where you naturally focus your valuable resources (time, energy, money, attention). Actually take the time to do this. Here are some guiding questions For the better. They stop saying yes to things that don't really matter to them, and start focusing on what is really important. That is why the movement of Minimalism is gaining traction in modern society. Say Yes to Life book. Read reviews from world's largest community for readers. 'Very useful guidance on the practical things you can do to live a fuller ...' Would you like to feel happier and more fulfilled but not sure how to get there? In Say Yes to Life, psychologist and psychotherapist Dr Linda Finnegan and well-known broadcaster, author and motivation speaker Christy Kenneally look at ways you can release the power of your own potential to lead a happier and more fulfilling life.

"It is well known that humor, more than anything else in the human make-up, can afford an aloofness and an ability to rise above any situation, even if only for a few seconds". Loneliness "as an opportunity to be alone with your thoughts. I recently heard a great thought by Uliana Shubko on the radio that loneliness is "a celebration alone with your soul!" Inner freedom "the freedom to choose one's attitude in any given set of circumstances". I recommend you to read "Say "Yes" to Life" and find your own meanings in this book; you will learn more about Frankl and his camp experience, and possibly even more! One way or another, the book will definitely touch you! Author Oksana Bondar.
