Every Indian is proud of India's art and culture. He shall wax eloquent on how it has assimilated the invader, and how they lost their own identities and became Indians. But if asked what exactly brought about this metamorphosis, he is bound to struggle for an answer; for the history he has read had enlightened him about the rise and fall of many dynasties both Indian and foreign - but kept him almost dark on their artistic and cultural achievements. Thus the catalytic agent responsible for this unusual phenomenon eluded his grasp. This book The Culture and Art of India by Radhakamal Muke Buy Bhagavad Gita, Spiritual books, Wisdom talks by Sri Sri Ravi Shankar, The Art of Living Bhajans, Devotional Songs CD's & DVD's, Chants, Instrumental, Yoga and Meditation CD's and DVD's.
